Spring 2023 (nearly)

Dear People of Getaria,

I am Getaria.
Your home.
Your town.

I wake up with you every day. From dawn until dusk, you fill my streets and corners with life. And from dawn to dusk, I listen with delight to your hopes and dreams.

We've known each other a long time. We have shared countless journeys. We have grown together through rain and shine. We have made progress, from generation to generation. We have taken care of our parents' and ancestors' legacy. We have passed the baton to the people who will come after us.

We have always been a town of Basque speakers, both by origin and by choice. In recent years, we have even become a vital enclave of the Basque language. Because to thrive, our language needs our breath, our voice. All of our voices. The voices of all Basque people.

Today, however, our use of Basque is in decline. This time, it is Basque that needs us. At home, at school, at the port, on the square, in Pistona, in Katrapona, in Artzape, in Gaztetape, in Askizu... in all of Getaria. It is time to give back to the Basque language what it has given to us in the past.

In Getaria, we grew in Basque.
Let's make Basque grow.

FIRST STEP

FRIDAY 24
MARCH.

PLAZA DE LOS GUDARIS,
18:00.

Together for a common cause.

And we'll put the Basque language in first place again – the place where it unites us all. So that Basque keeps on growing. So that we carry on making Basque grow.

I hope to see you there,

Getaria
